

Show Me the Way (Alexandra Stan)

I was afraid to spell

And I know that you were too

If we try there is nothing to lose right now

There's just me and you

I've never felt this way

I love you, I love you

I've never felt this way

Baby you, you show me the way

Put your lips like this _Like this_

I was afraid to spell

And I know that you were too

If we try there is nothing to lose right now

There's just me and you

I always remember, I cannot believe

But my baby, you showed me

You showed me that it is real

I've never felt this way

I love you, I love you

I've never felt this way

Baby you, you show me the way (x2)

I thought you were just for a night
but you seemed to be much more
I felt something inside my heart
what your eyes could show

I always remember, I cannot believe
but my baby, you showed me
You showed me that it is real

I've never felt this way
I love you, I love you
I've never felt this way
Baby you, you show me the way

I've never felt this way
I've never felt this way
Baby you, you show me the way
